KUHL'S TAVERN

ESTABLISHED in 1954
by Charles W. Kuhl, Jr.

Kuhl's Tavern has changed as much as the town of Bayonne itself. The family run business once catered to the many tugboat and abundance of blue collar workers that roamed Bayonne's streets. Operated by Kevin and Glenn Kuhl, they have shaped this neighborhood bar into something special. The corner of 22nd Street and Prospect Avenue is now a place where everyone meets. White collar executives, blue collar workers, trades people and more, come to Kuhl's for a bite to eat or a cold cocktail. Kevin and Glenn have also changed the mood of the surroundings, focusing towards the "Sports Bar Image" of the 90's. Although many people think of sports bars as enormous "Chain Restaurants", Kuhl's has remained a friendly, down to earth, family run business. With over seven decades of experience behind these doors, the family is looking forward to pleasing their customers of today and tomorrow alike. The Kuhl Family thanks you for your continued patronage.
